

# **EMPTY HOUSE TOP TO BOTTOM DELUXE CLEANING**

The Focus is on BUILD UP & HI / LO cleaning:

- Wipe all counters/appliances including inside of microwave.
- Scrub sinks
- Open all cabinets, drawers, pantry to wipe clean
- Thoroughly sweep & mop all bare floors (esp. where appliances were)
- Vac all carpeted areas including all closets
- Clean & disinfect all bathrooms (wipe out cabinets & drawers, special attention to build up
- Wash ceiling fans & light fixtures in-place, by hand, (tulip light fixtures clean in place, light fixtures w/glass panels or bulbs like over kitchen tables, light bar in bathrooms, etc., clean in place. (those that cannot be reached on a 2-step ladder by hand will be dusted off w/ an extension duster)
- Hand-wash all baseboards
- Wash all wood stained cabinets w/Murphy's oil soap in kitchen & bathrooms (use all over house moldings,)
- Wash all painted cabinets w/all purpose cleaner.
- Wash all doors and door frames (all-purpose cleaner, unless wood-stained --use Murphy's)
- Wash all light switch plates
- Vac air return vents w/in reach (some high ceilings can only be reached w/wool duster.)
- Vac all carpet crevices (crevice along the edge where bugs, animal hair or carpet fibers collect.)
- Wash all moldings, trim, door frames & chair railing
- Vac tops of curtains & drapes (dust & webs collect.)
- Vac dusty blinds, (unless arrangements made for them to be ultra-sonically cleaned—a separate service, additional charge.)

We never climb higher than our 2-step kitchen ladder. Anything beyond that reach will be dusted w/ an extension duster for safety reasons
