*\*we do not climb higher than a 2-step ladder. Higher items will only be dusted w/ an extension duster*

*we cannot move furniture, but we will try to reach an visible places either by hand or with an extension duster.*

*Most homes have at least one chandelier or vaulted ceiling fan that we cannot reach by hand*

*We cannot guarantee the results of mini-blind cleaning. Excessive build up may require ultra-sonic mini-blind cleaning (available upon request).*

*Please allow for some dust resettlement after we leave, we try to limit the dust in the air but cannot prevent this entirely.*
